

## A2Z WEBSITE CARE PLANS

Introducing A2Z Enhanced Digital Solutions **New Website Care Plans**. Providing our customers with the highest level of care, support and satisfaction is critical. Google now prioritizes websites that use SSL security protection, this also protects your customers personal info as well as your data. Take a look at the four Plans now available.

Please Note: Starting in October A2Z will transition to safeguard your site and set you up on our new auto-pay format.
